Laura and The Glass House Team

Thank you so much for all your help throughout this year and during our wedding. We are so grateful that we were able to have our wedding and it not feel as though we were compromising our day for the pandemic.

Everyone has commented on how well the day ran, how good the food was and how nice the staff were.

We wouldn't hesitate in recommending The Glass House for any events and we cant wait to have the second part of our wedding in the future.

Good Morning to Laura and all the staff at The Glass House,

I just wanted to drop you an email to say how absolutely outstanding the service you provided was. It was incredible from start to finish and you made everything we asked for just like clockwork. We had so many compliments about not only the room, but the service and grounds.

It was perfect, in every way!! I've attached some pictures we have so far, and if you would like to see any more we can send you some when the photographer has edited them.

Thanks again,

Mrs & Mrs Ashworth

Hi Laura!

Just want to send you an email to thank you for a fabulous day on Sunday. Everything was seamless and we were so well looked after. We couldn't be happier with how it all went. Natasha was amazing communicating with myself and Dean throughout the day and making sure everything was okay for us. Everyone has said to us how amazing the food was too! There was another lady with dark hair who I didn't get the name of - she was so helpful too as were all of the other staff members working.

Thanks again. We really did enjoy it, we will see you soon at some point I'm sure!

Amelia and Dean xx
